

PRIMARY ARMS
GOVERNMENT

2023 CADET CATALOG

YOUR MISSION. DELIVERED.

ABOUT PRIMARY ARMS® GOVERNMENT®

Established in 2008, Primary Arms expands its services and offerings in the firearms industry through Government agencies. Today Primary Arms operates in the E-commerce, Wholesale, Optics, businesses, and Government business as one of the largest LE distributors. No matter your mission, Primary Arms Government can equip you with the tools and gear needed to come home safely.

HOW THE CADET PROGRAM WORKS

Ordering is made easy with Primary Arms Government's commitment to complete customer satisfaction.

- Qualifying individuals can reach out to the Primary Arms Government team through our email, governmentsales@primaryarms.com, or by calling us directly at 713-570-1905.
- We will collect a small amount of information to verify your identity and get the process started.
- You then choose your favorite items from the catalog, selecting from a menu of mission-ready accessories to complete your setup.
- Your order is then processed and shipped with all your selected equipment. Orders placed before 4pm CST will ship the same day for in-stock items.

PRICING

Firearm prices are divided into four price groups:

■ **Orange Group: Under \$500**

■ **Red Group: \$500 - \$750**

■ **Green Group: \$750 - \$900**

■ **Blue Group: \$900 and above**

Discounted Cadet prices are only available for Police Academy Cadets. To review active-duty prices, please register through our site with ID.me.

**PRIMARY ARMS
GOVERNMENT**

SUPPLY. SUSTAIN. SUPPORT.

**PRIMARY ARMS GOVERNMENT IS
MORE THAN A DISTRIBUTOR.
WE ARE A PARTNER.**

GOVERNMENT PROCUREMENT

No matter what you're looking for, Primary Arms Government can help you secure the best price with world-class service and post-purchase support. We have a 48-hour quote response time and with direct access to 700+ vendors, our Inside Sales Specialist and knowledgeable Customer Service Team can always find you the best solutions for any budget or special requirement.

AGENCY PRODUCT DEMO PROGRAM

Primary Arms Government wants to remove barriers to talented servicemen and women and by providing access to a wider pool of innovative products. Our team offers agency-wide demo days, allowing your entire team to get experience and education on equipment options or the latest technologies.

UNIVERSAL TESTING & EVALUATION PROGRAM

Get hands-on experience before any procurement with Primary Arms Government's Universal Testing & Evaluation (T&E) Program. It is universal because, whether it's an everyday in-stock item or a special order, Primary Arms Government can help you get firsthand experience with any gear—even if the manufacturer doesn't normally offer a testing program.

AGENCY TRADE-IN PROGRAM

Let Primary Arms Government help your department expand its budget by converting surplus items into new equipment or credit for future purchases. Primary Arms Government also works

PROGRAMS

directly with GTI's Asset Trading Program to expand the list of trade-in assets.

LAW ENFORCEMENT AFFILIATE PROGRAM

The Law Enforcement Affiliate Program offers members additional revenue through sales. When referring a product or service by sharing it on personal social platforms or using the QR code assigned by PAG, the affiliate earns a commission each time someone makes a purchase through the unique affiliate link or QR code associated with their recommendation.

INDIVIDUAL OFFICER PURCHASE PROGRAM

With this program, you can always get the best deals on your regular online shopping. Primary Arms Government offers everyday low prices for active Military and First Responders. With ID.me, you can verify your professional status in minutes, giving fast access to the lowest prices on 700+ top brands live on our website 24/7.

CADET PROGRAM

When cadets ask where to find new equipment, training, and programs, Primary Arms Government has the answer. With our Cadet Program, your academy students will have access to Primary Arms Government's highly discounted equipment catalog and programs specifically designed for your and cadets' needs.

GLOCK® BLUE LABEL PROGRAM

As an Authorized GLOCK® Law Enforcement Distributor for Texas, Primary Arms Government stocks

PROGRAMS

a full selection of GLOCK® Blue Label handguns and special bundles. For residents of Texas, this is the best way to get great prices on new GLOCK® sidearms, including new models.

PRIMARY ARMS® OPTICS PREMIER SAVINGS PROGRAM

Primary Arms Government is the only source for the Primary Arms Optic's Premier Savings Program.

With this program, individual active service men and women will receive once-per-year discounts on Primary Arms Optic products, giving them the absolute lowest prices. This includes scopes, red dots, mounts, accessories, and more!

SPRINGFIELD ARMORY FIRSTLINE PROGRAM

First Responders and Military members are eligible for special discounts on Springfield Armory products through the FIRSTLINE Program. This program gives special low pricing on all the most popular Springfield Armory products, including both pistols and rifles and available at Primary Arms Government.

WALTHER IOP PROGRAM

Walther Arms is offering a special VIP discount for law enforcement officers, other first responders, hospital personnel, and essential workers. Get the latest Walther LE pistols with their Individual Officer Purchase (IOP) Program, available through Primary Arms Government. This program gives lower prices and additional configurations on Walther's top-selling handguns.

FN INDIVIDUAL OFFICER DISCOUNT PROGRAM (IOP)

Once per year, qualified individuals can get an exclusive low price on FN firearms at Primary Arms

Government. This program applies to all sword and retired Law Enforcement, active or reserve members of the U.S. Military, honorably retired veterans, corrections officers, first responders, and more!

HECKLER & KOCH INDIVIDUAL OFFICER PROGRAM

When purchasing a new H&K firearm through Primary Arms Government, sworn Law Enforcement officers will also receive additional \$150 credit towards the H&K web store! This program helps officers purchase new holsters, magazines, accessories, and gear to go with their new rifle or pistol.

*GLOCK® Blue Label Program: Sworn Law Enforcement officers with powers of arrest, including Federal, State, County & City also includes retired L.E. officers with "retired" credentials (LE Agency or Retired Picture ID.) Military personnel including Reservists and National Guard with I.D. also includes retired Military with "retired" credentials (Military picture ID.) Corrections Officers, including Parole and Probation Officers (LE Agency Picture ID.) Nationally recognized Security Company Commissioned Security Officers – (Officer Purchase for fulltime armed guards with Picture ID. State licenses, registrations, private investigators are not approved.) A LE Academy Cadets with enrollment documentation from the Academy. Active Duty Firefighters with current Active Duty Department Credentials. (FD Department Picture ID.) Honorably Discharged Veterans (DD214 and State of Texas Issued Identification.)

P.ID

WEAPONLIGHT SERIES

SKU: P.ID LEM

The P.ID series of weaponlights are compact and powerful pistol mounted white lights that are designed for Positive IDentification in low or no light conditions. The P.ID is feature packed with 1,000 lumens of white light, 23,000 candela, a durable 7075 aluminium housing and a rechargeable 18350 battery with a magnetic USB charging cable. The P.ID attaches to any firearm that uses a MIL-STD 1913 Picatinny rail and includes rail interface adapters for optimal positioning of activation buttons.

DISCOVER HOLOSUN'S NEWEST DUTY PRODUCTS

SCS-MP2

SOLAR CHARING SIGHT SERIES

SKU: SCS-MP2 LEM

Holosun's newest SCS (Solar Charging Sight) for Smith & Wesson M&P®-M2.0™ series of handguns is designed specifically for direct attachment and uses our innovative solar charging system with multi-directional light detection. The SCS can potentially operate indefinitely using an internal solar rechargeable 20,000-hour power reserve meaning you will never need to change batteries again. The multi-directional light detection sensors give users the perfect brightness setting for any condition automatically. The SCS also includes an intensity override function which locks the optic into a high intensity brightness mode for 30 minutes.
